

Relevant Experience: In 2005 I did an external review of the history department at Gordon College outside Boston. I was chair of the Department of Asian American Studies here at UCSB 1997-1999. Before that I was Associate Dean of the College of Arts and Sciences at BYU-Hawai'i for six years. In that capacity I oversaw departments of history, psychology, sociology, social work, and political science. I also organized the university's self-study for re-accreditation by the Western Association of Schools and Colleges and wrote the report.
